EDUCATION

SKILLS

Proficient in SolidWorks, ANSYS, MATLAB, and Python.

Experience with 3D printing and rapid prototyping.

Strong analytical and problem-solving skills.

PROFILE

Highly skilled software engineer with 7+ years of experience in full-stack development. Proficient in multiple programming languages and experienced in Agile software development. Seeking a challenging role to utilize my skills and contribute to a dynamic and innovative team.

WORK EXPERIENCE

Mechanical Engineer

ABC Company, 2021-present

Designed and analyzed components for new products, resulting in a 15% reduction in production costs.

Conducted testing and validation of prototypes, ensuring product reliability and safety.

Collaborated with cross-functional teams to ensure product design met customer requirements and project deadlines.

Junior Engineer

XYZ Corporation, 2019-2021

Assisted senior engineers in designing and testing new products.

Conducted finite element analysis (FEA) simulations to optimize component design.

Developed and maintained technical documentation, including design specifications and testing reports.
